‘Dozens dead’ as M-way bridge caves in

AT least 35 people have died and eight others injured after a bridge on a main road linking Italy with France collapsed during a storm in Genoa.

Around 20 vehicles plunged nearly 150ft into a heap of rubble after a huge section of the Morandi Bridge collapsed over an industrial zone in the port city, sending tons of twisted steel and concrete debris onto warehouses below.

Firefighters said some 20 vehicles, including cars and trucks, were caught up after a stretch of the bridge measuring around 260ft fell.

Two people had been pulled alive from vehicles in the rubble and taken to hospital.

Firefighters said they were worried about gas pipes exploding in the area.

Authorities suspect a structural weakness had caused the collapse, but there was no immediate explanation for what had happened.

As Prime Minister Giuseppe Conte travelled to Genoa, Interior minister Matteo Salvini said some 200 firefighters were responding to the accident.

The disaster occurred on a major road that connects Italy to France, and links northern cities like Milan to the beaches of Liguria.

A police source said: “We know there are 35 dead at the moment but we haven’t found everyone yet. That figure will rise and rise.”

TERROR SUSPECT ‘KNOWN TO COPS’

By COLIN HURST news@sundaysport.co.uk

THE Westminster terror suspect who ploughed into at least 15 cyclists and pedestrians appears to have travelled to London from his Midlands home in a Ford Fiesta bought just two months ago.

The man, in his late twenties, is refusing to speak to police, who have still identified him.

They believe he was not known to Scotland Yard or MI5 before the shocking Tuesday morning rush hour attack.

But security sources have suggested he may be known to police in the Midlands and his car was first registered in Nottingham.

Crashing

He was arrested on suspicion of terror offences after the silver Ford Fiesta he was driving collided with cyclists and pedestrians before crashing into security barriers just before 7.40am.

Neil Basu, the Met’s Assistant Commissioner for counter-terrorism, said: “Given that this appears to be a deliberate act, we are treating it as a terrorist incident.

“The investigation is being led by officers from the counter-terrorism command.

“On the details we have at the moment, we don’t believe this individual was known to MI5 or counter-terror police.”

The silver car can be seen coming along the road next to Parliament Square before moving to turn right towards Westminster Abbey in footage of the incident aired on BBC News.

As an ambulance passes the car on its right-hand side, the vehicle swerves left, crossing oncoming traffic and a pavement before entering a small road and crashing into a security barrier.

A police officer can be seen jumping a barrier that runs along the side of the road to get away.

Two white vehicles appear to be behind the car shortly before the crash, but Mr Basu said: “There was not a police car in pursuit of the vehicle.”

Images posted to social media showed a man wearing a black puffer jacket being led away in handcuffs from the car.

There was nobody else in the vehicle and no weapons were found, police said.

Mr Basu added no other suspects have been identified.

REALITY star Georgia 'Toff' Toffolo is flogging her WORN UNDERWEAR online.

The *Made in Chelsea* starlet is selling tons of her second-hand clothes on online site ebloggers.

Not only is the 23-year-old trying to get rid of jumpers, dresses and blouses, she's also put USED lingerie and worn swimwear up on the website.

One sheer blue bodysuit ensemble, which features a thong style bottom, has been sold for £12 with the description 'worn once'.

Kinky

A kinky black laced Ann Summers outfit, described as 'worn once for photoshoot', sold for £13.

More than 300 items from Toff's wardrobe are up for sale on ebloggers, including a £2,000 fur and leather coat.

As well as lingerie, the 2017 winner of *I'm A Celebrity…Get Me Out Of Here!* is also selling swimwear, with a pair of pink bikini bottoms listed at a price of £4.

Earlier this week, Toff announced she won't be returning to *Made in Chelsea* after spending four years on the posh E4 reality show.

It was also revealed she's dating her former *I'm A Celeb* campmate Jack Maynard.

YouTuber Jack, 23, who was kicked out of the Jungle last year for homophobic tweets, posted a loved-up snap of the couple on his social media account .

LISA TO DIVORCE ANT

LISA Armstrong is reportedly ready to DIVORCE troubled TV presenter Ant McPartlin after taking a month-long holiday in Los Angeles.

Lisa *(right)*, 41, and Ant, 42, split earlier this year and are finally prepared to take steps towards divorce.

A source said: "Lisa feels like she's finally ready to face the music.

"It's not going to be an overnight thing, but she and Ant will be in negotiations as they work out the best possible outcome."

You can buy Madonna's old chassis!

THE Mini Cooper that Madonna drove while living in London is up for sale.

The 59-year-old pop queen *(above)* used the car when she was married to film director Guy Ritchie and sang about it in her 2003 track *American Life*.

She later sold it to her personal driver, who kept the black Mini Hatch 1.6 Cooper S in storage.

Madonna, who turns 60 on Thursday, sang "I drive my Mini Cooper, and I'm feeling super-duper" in *American Life*.

The car has a £55,000 guide price and is said to be "in pristine condition".

Madonna and Ritchie's names both appear on previous insurance documents and the car's V5 registration log book.

Madonna owned the Mini Cooper, complete with a range of bespoke features, including privacy glass, for four years from 2002.

Her driver sold the car in 2016 to a collector, who is listing the vehicle on Auto Trader.

Threat to 1,500 Homebase jobs

HOMEBASE is pressing ahead with a wave of store closures that will see 42 DIY outlets shut, putting around 1,500 jobs at risk.

The retailer is closing the stores via a Company Voluntary Arrangement, a controversial insolvency procedure used by struggling firms to shut under-performing shops.

The latest restructuring would come on top of a store closure programme the retailer has been carrying out since February.

A total of 16 Homebase stores have been shut this year and 303 jobs were axed at its head office in Milton Keynes.

Homebase said: "Many stores are loss-making. Homebase's sales performance and profitability declined significantly under the previous ownership over the last two years."

BIG BEN: MY TRIAL BY SOCIAL MEDIA

Hits out as he is cleared

ENGLAND cricketer Ben Stokes spoke of his trial 'ordeal' after he was cleared of affray in under three hours by a jury for his part in a brawl with two nightclub revellers.

His wife Clare Ratcliffe, who accompanied Stokes to court every day, cried as the verdicts were returned while the cricketer closed his eyes with relief and then looked up.

The 27-year-old all-rounder punched Ryan Hale, 27, to the ground and then knocked out Ryan Ali, 28, during the fracas in the early hours of September 25 last year in Bristol city centre.

By COLIN HURST
news@sundaysport.co.uk

In a statement afterwards, Stokes' solicitor said: "Today's verdict represents the end of an 11-month ordeal for Ben, during which time he has had to maintain his silence at times when many of social media, and certain parts of the press, pre-determined his guilt long before the trial began."

Punched

Stokes told the court he was acting in self-defence, or in the defence of others, when he punched the two best friends hours after England played the West Indies in a one-day international in the city.

The jury at Bristol Crown Court acquitted Stokes and co-accused Ali of affray following a seven-day trial.

At the start of the trial, the Crown tried to amend the indictment and charge Stokes with two counts of assault occasioning actual bodily harm – but this was rejected by the judge.

And halfway through the trial, Stokes' legal team attempted to have the case against him dropped – but this was also refused by the judge.

The court heard how the night began with Stokes and several England team-mates – including Jake Ball, James Anderson, Jonny Bairstow, Alex Hales and Liam Plunkett – taking taxis into Bristol city centre.

Stokes had had "at least 10 drinks" in the hours before the incident, which included a bottle of beer, two or three pints of lager, five or six vodka and lemonades and some Jagerbombs.

He was accused of being "actually really very drunk".

Ali had drunk six or seven Jack Daniels and Cokes during his night out with Mr Hale.

Much of the incident and the build-up was captured on CCTV cameras located around the Clifton Triangle area – a popular nightspot in Bristol.

Abusive

Mbargo club doorman Andrew Cunningham, 37, alleged he was offered £300 by Stokes to let him and Mr Hales back into the nightclub.

Mr Cunningham accused Stokes of being "verbally abusive" – saying he had "s***t tattoos" and that his gold teeth made him look like a "c***".

He said Stokes was mimicking the mannerisms and voices of two gay men, William O'Connor and Kai Barry, outside the club.

But the cricketer insisted they were exchanging "banter" about his expensive white leather shoes.

Stokes said he could not remember flicking his cigarette butt towards the gay men or directing a V-sign at Mr Cunningham.

The violence erupted shortly after 2.30am in Queen's Road. Both Stokes and Ali claim they were acting in self-defence and blamed each other for being the aggressor.

Stokes maintained he heard best friends Ali and Mr Hale direct homophobic abuse at Mr O'Connor and Mr Barry – but was unable to say what those words were.

And when he intervened, telling the pair: "You shouldn't be taking the piss because they are gay," Stokes said Ali replied: "Shut the f*** up or I'll bottle you."

He described his co-accused as "aggressive and violent" towards himself, Mr Hales, Mr Barry and Mr O'Connor and denied he had "overexaggerated the exchange" in order to "justify his own violent behaviour".

Ali told jurors the England cricketer "was very angry and looking for someone to pick on" and said deciding to use a bottle as a weapon would be a "difficult decision for me to take".

CCTV footage shows Ali waving a bottle towards Mr Hales before delivering a glancing blow to the shoulder of Mr Barry.

"As soon as I see Mr Ali swing the bottle and physically hit them, that's when I took the decision to get involved," Stokes said.

"I was trying to stop Mr Ali doing damage to anybody with a glass bottle."

Stokes and Ali tussled and fell to the floor.

RELIEF: Stokes with his wife Clare Ratcliffe

WHAT HE HAD TO DRINK

BEN Stokes told the court how much drink he'd put away the night he was arrested...

- **One bottle of beer after England's one-day international victory against the West Indies.**
- **"Two or three" pints of lager back at England's hotel with his meal.**
- **"Five or six" vodka and lemonades while out celebrating with teammates in Bristol.**
- **"Some" Jagerbombs in the Mbargo nightclub.**

When the prosecutor , suggested he was "really very drunk", Stokes replied: "No".

HIS STATEMENT IN FULL

HERE is the statement from Ben Stokes, read out by his solicitor Paul Lunt outside Bristol Crown Court, after he was cleared of affray.

‘Today's verdict represents the end of an 11-month ordeal for Ben during which time he has had to maintain his silence at times when many on social media, and certain parts of the press, pre-determined his guilt long before the trial began.

Over the last week, the jury have been able to see and hear all of the evidence and not merely what the media have chosen to report.

The evidence available to the jury included the full range of CCTV footage that shows exactly what happened in September.

The jury's decision that Ben is not guilty fairly reflects the truth of what happened in Bristol that night.

On September 25, Ben had been out with teammates celebrating an England win.

Abuse

Contrary to some reports, there was no curfew in place. Ben was minding his own business when he came across two men who were subject to what Ben identified as serious homophobic abuse.

It was only when others came under threat that Ben became physically engaged with the men in question.

The steps that he took were solely aimed at ensuring the safety of himself and the others present.

In addition to the extreme stress placed on Ben and his family by the trial, his intervention that night has already cost Ben the England vice-captaincy, his place on an Ashes tour and his place on a number of other England matches.

The past 11 months have served to highlight to Ben just how highly he values his position as an England representative, both in terms of the privilege that role entails and the responsibilities that accompany it.

Now that the trial is over, Ben is keen to get back to cricket being his sole focus.’

PM to youths: What the f**k are you doing?

MASKED youths have torched dozens of cars in Sweden and thrown rocks at cops, prompting an angry response from the prime minister who blasted: "What the F**K are you doing?"

Stefan Lofven (*above*) said there had been an "extremely organised" night of vandalism, resulting in about 80 cars being set ablaze overnight, chiefly in Gothenburg, Sweden's second largest city, and nearby Trollhattan.

Fires were also reported on a smaller scale in Malmo.

In Trollhattan, where at least six cars were burned, rocks were also thrown at police and roads were blocked.

Police spokesman Hans Lippens said that because the fires started within a short period of time, "we cannot exclude that there is a connection between the blazes".

Black-clad men were seen torching cars on a parking lot outside a Gothenburg suburb and witnesses had seen "masked youngsters" running away. There have been no arrests.

Crazy

Writing on the photo, Rita said: "Happy birthday my crazy pineapple with whom I've shared many fun memories."

STACEY: I ♥ MY FULL BUSH

TELLY presenter Stacey Solomon admitted she's not SHAVED her PUBES in more than a DECADE.

Stacey, 28, revealed in her column that she boasts a full bush – and compared her fanny to a rainforest.

She confessed to letting her 'garden grow' for years after a recent article in fashion magazine *Vogue* claimed that pubic hair will be 'the new Brazilian' and is making a comeback.

In her admission, *Loose Women* panellist Stacey wrote: "The bush is back in fashion, according to Vogue. HALLELUJAH!

"At last our natural, pheromone-catching, abrasion, injury and pathogen-protecting locks can be celebrated rather than causing offence.

"For years now I've been freely leaving my garden (for that read woodland or even rainforest) to its own devices and it feels wonderful.

"I find shaving in general an utter chore so even removing the hair on the body parts that are on display happens on the rarest of occasions.

"As if the leg, arm, belly and back hair weren't enough I started to grow a beautiful, thick, black, extra-long allotment in my private areas. I couldn't tell where my leg hair ended and my pubes began.

"The cost in razors, the pain of ingrown hairs, knicker chaffing and general baby feeling was enough for me to put down the razor and allow my relationship with my rainforest to flourish – together in harmony.

"So you can imagine my joy at the prospect of this becoming "cool" and "on trend" thanks to *Vogue*.

"Now my friends won't think I'm gross. In fact, they'll all be sporting the bush like me!"

"We shouldn't be making jokes about Trump. We should be putting him in f**king jail. It's the biggest reality show the world has ever seen.

"There's no shame anymore. How did he get in after he admitted that he grabbed women by the 'pussy'?"

The past few years have seen Ricky be more politically active on social media and he defended his stance.

He said: "You have to fight injustice and when someone is getting away with something they shouldn't, you have to step in."

Brit falls 25m trying to have A POO off hotel balcony

By WENDY THOMAS
news@sundaysport.co.uk

A BRITISH tourist is seriously ill in hospital after plunging from a sixth-floor hotel balcony in Magaluf while having a POO.

The 20-year-old is said to have lost his balance and fell, hitting the ground head-first at 3.30am on Friday.

Although his room is on the sixth floor, the three-star hotel is on a slope – so the man, who was on holiday at the time of the incident, is thought to have fallen around 25 metres.

Emergency services helped him at the scene before he was taken to a hospital near the Puerto Ballena strip.

Severe

Witnesses told local newspapers the tourist had taken his trousers off and shat moments before losing his balance.

In a video, a blonde woman appears to comfort the man as paramedics treat him for his injuries.

Civil Guard officers confirmed the injured man was British but said they could not comment on claims surrounding what he was doing on the balcony before the fall.

An official would only say: "The matter is under investigation."

The man remains in hospital with severe injuries, including to his face.

At least three people have died this year after plunging from buildings in Magaluf.

TV host Anna: I want to see a naked wedding

TELLY presenter Anna Richardson has high hopes of a STARK NAKED WEDDING.

"We've got a guy with cystic fibrosis, a lady with excess body hair, an older man in his fifties and even a polyamorous couple looking for a third person to join their relationship."

Anna *(above)* hopes there'll be a wedding from the series.

She added: "A naked engagement in the not-too-distant future would be marvellous.

"And I want there to be an actual naked wedding where I can turn up in just a giant hat and a bikini."

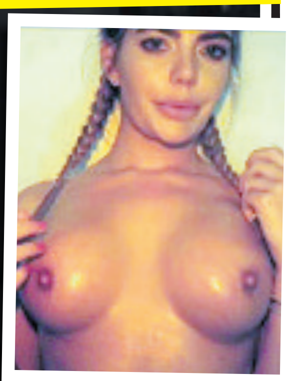
LOVE ISLAND MEGAN DEFENDS SEX TAPE

RAUNCHY: Megan admits bonking in villa



By BECCA STUBBS becca@sundaysport.co.uk

***LOVE Island* babe Megan Barton Hanson has DEFENDED her PORN clips.**

Megan, 24, finished fourth with boyfriend Wes Nelson, 20, on the ITV2 reality show – but while she was in the luxury villa X-rated videos of her emerged online.

One saucy video saw the busty blonde plunge a sex toy inside herself as she lay spreadeagled on a bed.

It also emerged that she sold raunchy photos and videos of herself to paying fans – but now Megan has defended her decisions.

Instead of denying the clip or being embarrassed by it, Megan responded by saying: "We've all got a vibrator… Let a girl live!"

Former stripper Megan revealed she's battling to get the clip taken down and also slammed people's opinions of her following her behaviour on the reality show.

Harder

Megan says it was 'sexist' the way she was treated compared to fellow contestant Adam Collard after they both coupled up with a number of Islanders.

Stunning Megan said: "People definitely do give girls a harder time than men – look at Adam, how many girls did he go through?

"It's sexist. They're painting me out to be the biggest player, but it's a dating show and I tested the water.

"It's 2018, and women are still getting stick for acting like men, I don't see why we're not equal. Even with the fact that I had sex in the villa, I'm open about that.

"Women enjoy sex just as much as men. Like, why can't we say it?"

It's rumoured that Megan has been offered a contract with adult TV station Studio 66.

Jack & Dani 'DID have sex in villa'

***LOVE Island* winners Jack Fincham and Dani Dyer famously became the first winners NOT to have SHAGGED in the villa – but that's reportedly a LIE.**

An ITV2 mole claims the reality TV couple did 'do bits' in the luxury villa and aren't as innocent as they make out.

The source even made explosive claims that Danny Dyer's daughter Dani, 22, made a secret deal with ITV2 to not show her shagging scenes with boyfriend Jack, 26.

Despite the pair insisting they waited until they were out of the villa until they bonked, the source claimed that's not entirely true and added: "Jack and Dani did have sex in the villa.

"The contestants walked in on them doing it under the covers quite often.

"But Dani clearly had some kind of deal with the producers, which is why their antics were never aired."

Fellow finalists Megan Barton Hanson, 24, and Wes Nelson, 20, were seen shagging numerous times during the day and night on the reality show.

Brit swimmer Ross smashes world record

A SWIMMER has broken the world record for the longest staged sea swim on the 74th day of his journey around the British mainland.

Ross Edgley (*above*), 32, has not set foot on land since he left Margate in Kent on June 1 on his 2000-mile challenge.

Yesterday he broke Benoit Lecomte's record of 73 days spent swimming across the Atlantic Ocean in 1998.

Ross, who is now off Kyle of Lochalsh on the west coast of Scotland, thinks he has swum around 1000 miles so far.

He estimates he still has another 60 days of swimming to go before he reaches Margate to complete the challenge.

He said: "It's exciting to be setting a new record but we've still got so far to go."

MY LIFE WITH WIFE & 2 'SEX SLAVES'!

Bizarre love tangle of reality TV Army vet

By COLIN HURST news@sundaysport.co.uk

AN ex-squaddie has swapped the battlefield for his very own love dungeon which he shares with his wife, fiancée and TWO sex slave girlfriends.

James Davis, 36, and his unusual family are to star in a new five-part series about their BDSM lifestyle.

Mr Davis, who calls himself "patriarchal overlord", requires the four women to wear collars, ask permission to use the toilet, and call him "master".

Aged between 19 and 27, the women are in different relationships with one another and participate in sex parties at their home.

In a sneak-peak of the online series "Cadifor: A story about love, family and slavery" on website Indiegogo, the girls can be seen kneeling in front of Mr Davis to greet him.

"Good morning Master, your owned property Slave 808497061 has missed you, and is here presented ready and waiting to serve you," his wife Charlotte said while in a submissive pose in front of him.

Mr Davis's fiancée, Hunter, and his girlfriends Hanna and Sophie made identical statements while he sat on the sofa in front of them.

Mr Davis moved to Armidale, New South Wales, from Sydney after serving 17 years in the military.

He constructed a dungeon, called House of Cadifor: Fetish Playroom, in the basement of his home.

He said: "People think I must be some kind of abusive oppressor, a misogynist, manipulator, or even a monster.

"But the truth is, I'm just a guy who loves both freedom and commitment, and who was lucky enough to find some incredible women to love, and who love me back."

He describes himself as a 'rope performer, fetish photographer, BDSM writer, kink educator, lifestyle dominant and consent advocate'.

Twitter rages over 'straight' Jack's gay role

COMEDIAN Jack Whitehall has faced a huge BACKLASH after Disney cast him as their first openly GAY character.

Jack, 30, a straight man, will star with Emily Blunt, 35, and Dwayne Johnson, 46, in the upcoming movie *Jungle Cruise*.

Comic-turned-actor Jack (*above*) announced on Instagram he'd taken the role and will play Blunt's gay brother in the film who is "hugely effete, very camp and very funny".

However, on social media with fans slammed Disney for not choosing a gay actor.

Actor Omar Sharif Jr, 30, protested: "Really @Disney #JungleCruise? Your first significant gay role will be played by a straight white man perpetuating stereotypes? Fail! This ship should sink. "

But gay actor Stephen Fry, 60, tweeted: "I share your shame @ jackwhitehall – I played a straight man more than once. A FATHER even. I should have been sent for training, correction and adjustment years ago."

24 dead after bus collision

AT least 24 people have died and another 19 injured after a bus collided with another vehicle at high speed and overturned on a highway.

The bus was travelling to Quito, Ecuador, when it hit a smaller vehicle in an area known as 'Dead Man's Curve at about 3am, authorities said.

Quito district security secretary Juan Zapata told reporters that Colombian and Venezuelan nationals were among the dead.

Two minors travelling in the smaller vehicle were also killed.

A small fleet of ambulances and emergency workers rushed to the crash site about two hours from the country's capital city.

They found the wrecked bus overturned and several homes by the highway damaged and strewn with debris.

CHLOE FERRY:

I'M JUST PAID TO GET PISSED... I'M NO ROLE MODEL

CHEST LOOK AT THESE! Chloe shows off her assets

REAR-LY SHOCKING: Chloe flashes her bare bum

By BECCA STUBBS

becca@sundaysport.co.uk

***GEORDIE Shore* stunna Chloe Ferry has hit back at people who say she's a ROLE MODEL and insisted she has NO TALENT and gets paid to GET PISSED.**

The 22-year-old was hit with a string of comments from online trolls after she showed off her surgically enhanced figure in a series of raunchy photos on social media.

Chloe's snaps showed her bruised hips – a result of having fat taken out of them and injected into her bum.

But she slammed people who branded her an 'irresponsible role model' and took to Instagram to defend herself.

She said: "Someone tweeted us saying you shouldn't get surgery because you're a role model. How am I a role model?

Drunk

"I'm a normal human being, no talents – I don't sing, I don't act. But a role model is someone like Beyonce who's got a talent, who sings, who acts – Cameron Diaz.

"I'm a normal person who got asked to go on a reality programme where you get drunk, of course I'm not going to turn it down. I get paid to get pissed!

"But I am not a role model. Why would someone look up to me? I'm on a reality programme where you get pissed and embarrass yourself.

"Please just f**k off! I'm sorry people don't like that I've had surgery but if I don't like something about myself, I get it sorted."

Chloe has dramatically altered her appearance in just three years, splashing out £50,000 on cosmetic surgery procedures.

GORGEOUS Amy Green hardly ever wears KNICKERS and prefers going COMMANDO when she's out and about.

The 28-year-old blonde bombshell, from Sheffield, has ended up flashing her fanny a few times over the years – but insists she's comfier without her undies.

Amy, who boasts an eye-popping pair of 32D norks, said: "I hardly ever wear knickers. They can get uncomfortable, so I don't feel the need for them.

"I used to go out in little dresses with no pants on all the time.

Flashing

"Over the years, I've been in quite a few embarrassing situations where my skirt has blown up in a freak gust of wind.

"A few times, I've ended up flashing my bits to the general public… but who cares?

"Sometimes I'll go commando and whisper to my fella that I'm knickerless when we're out for a meal or drinks.

"It drives him crazy!"

KLOPP'S WRIST PUMP GOAL JOY!

THAT'S S-HANDY: Klopp enjoys Salah's strike

By BECCA STUBBS
becca@sundaysport.co.uk

LIVERPOOL boss Jurgen Klopp appeared to celebrate one of his side's four goals at the weekend against West Ham with a two-fisted WANK!

The teams met at Anfield on Sunday where the Reds beat the Hammers with goals from Mohammed Salah, Sadio Mane and Daniel Sturridge.

After Salah's opener, in the 19th minute, the cameras switched from the players to Kop king Klopp to capture his reaction.

Crotch

Already known for his enthusiastic touchline antics, Klopp appeared to go into a knuckle-shuffle frenzy as he celebrated Liverpool's first goal of the new Premier League season.

Video clips were shared on social media showing the 51-year-old German fist-pumping over his crotch while roaring with delight.

One Twitter user, Dami, posted the clip and wrote under his @*TheChelseaWay* moniker: "Jurgen Klopp with the wank celebration. Classy."

BIRD BASH: Fireman got a mouthful

Who's a #@!# cheeky boy, then!

FOUL-MOUTH PARROT TELLS FIRE CREW TO 'F**K OFF'

By WENDY THOMAS
news@sundaysport.co.uk

A PARROT stuck on a roof told firefighters trying to rescue it to "fk off".**

Jessie, a turquoise and yellow macaw, spent three days on the roof of a house in Edmonton, North London.

London Fire Brigade were eventually called to help with the rescue after the RSPCA and her owner were unable to coax her down.

The owner told the firefighter who went up the ladder to say "I love you" to try to get the bird to co-operate, but the words of affection fell on deaf ears.

Foul

Watch manager Chris Swallow said: "Jessie had been on the same roof for three days and there were concerns that she may be injured, which is why she hadn't come down.

"We then discovered she had a bit of a foul mouth and kept swearing, much to our amusement."

He said Jessie and her owner also speak Turkish and Greek, so the crew also tried telling her to 'come' in both languages.

But after she was finished screeching out expletives, it became clear Jessie wasn't injured after all – she simply flew off to sit on another roof, a tree and then towards her owner.

The LFB has called on members of the public to contact the RSPCA and not dial 999 when a pet becomes trapped.

Firefighters have previously been called to rescue an iguana from a roof, a kitten wedged in a bongo drum and even a CHIMP trapped in a chimney.

A spokesperson said: "The RSPCA should be contacted in the first instance and we would always urge people to do the same if they see an animal stuck or in distress.

"If the RSPCA require our assistance, they will call us and we are happy to assist with our specialist equipment."

THE HOTTEST GLAMOUR AND CELEBRITY BABES OF THE 2000s

PART ONE

NOUGHTIES ...BUT NICE!

As Jordan plans glamour comeback, we look at the decade when she first stripped...

PRICE IS RIGHT: Katie as Jordan in glamour days

By BECCA STUBBS becca@sundaysport.co.uk

ICONIC glamour girl Katie Price is planning to go back to topless modelling.

The 40-year-old has found herself facing financial difficulties following her third divorce and is ready to do topless modelling again to earn a quick buck.

If she does flash her 32GG norks once more, it'll be a glorious reminder of the stripping days she enjoyed in the noughties.

Knockers

But she's not the only famous face from the 2000's who enjoyed whipping out her knockers for the cameras.

In fact, it looks like they were *all* at it – so much so we've got a TWO PART FEATURE crammed full of the hottest babes of the era.

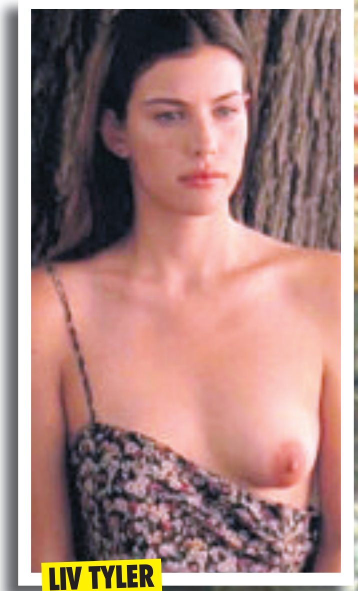
So here's the first five pages, which will hopefully whet your appetite for Part Two coming in this week's *Weekend Sport*...

AISLEYNE HORGAN-WALLACE

AFTER mouthy beauty Aisleyne, 39, had left the *Big Brother* house in 2006 she made sure she stayed in the spotlight and happily flashed her norks to any paps who wanted to see them.

ANNA FRIEL

BRITISH rose Anna, 42, has gone topless on-screen more times than we can count – and she's just as happy to flaunt her pert pair away from the cameras too.



LIV TYLER

STUNNING actress Liv, 41, burst onto the scene as a fresh-faced beauty in *Stealing Beauty*.

Proving she wasn't just a pretty face, she treated moviegoers to a boob flash too.

NICOLE APPLETON

AFTER topping the charts as one quarter of girl band All Saints, party girl Nicole 43, tried her hand at acting.

Her debut scenes in 2000 film *Honest* definitely didn't disappoint.

GAIL PORTER

SCOTTISH stunna Gail, 47, flashed her breasts willingly in the noughties and became a lad's mag fave.

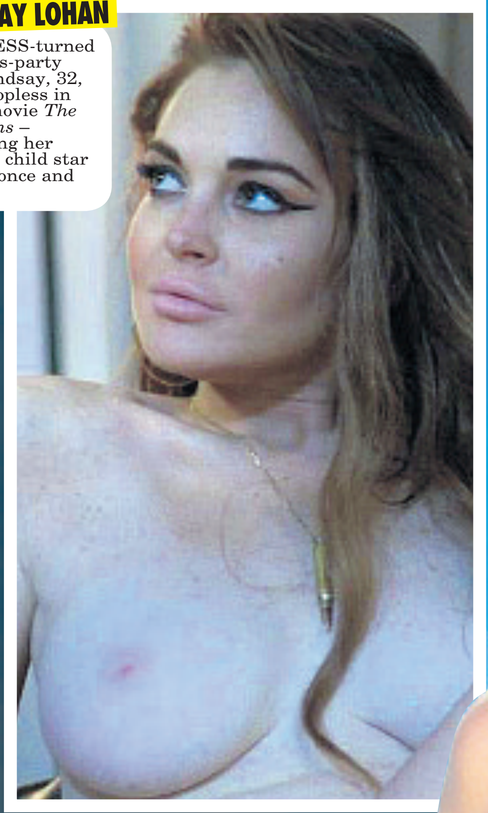
She went braless to one glitzy event and ended up showing her nipple piercing to the world.

PART TWO IN THIS WEEK'S Weekend Sport ON SALE FRIDAY AND SATURDAY

THE HOTTEST GLAMOUR AND

ABI TITMUSS

FORMER nurse Abi, 42, wasn't happy just flashing her boobs and making a sex tape – she decided to go completely starkers and show off her bum on her holidays as well.



LINDSAY LOHAN

ACTRESS-turned-serious-party girl Lindsay, 32, went topless in 2013 movie *The Canyons* – shedding her Disney child star image once and for all.

PARIS HILTON

SOCIALITE Paris, 37, was one of the most in-demand women on the planet in 2000s, and when her sex tape was released, the world almost went into meltdown.

SALMA HAYEK

EXOTIC beauty Salma, 51, certainly didn't hold back in the noughties and film fans were delighted when she stripped naked in 2002 movie *Frida*.

CELEBRITY BABES OF THE 2000s

NOUGHTIES ...BUT NICE!

PART ONE

LEILANI DOWDING

GORGEOUS Leilani, 38, ditched her beauty pageant lifestyle for topless modelling and regularly topped 'hottest women' polls in the noughties – and it's no wonder, looking at this sexy shot.

SOPHIE HOWARD

STUNNING glamour girl Sophie graced plenty of bedroom walls in her heyday.

The 31-year-old beauty is still flaunting her 30GG's in the *Sport*.

KATE BECKINSALE

BUSTY actress Kate, 45, thrilled moviegoers when she went topless and paraded her curves in the movie *Uncovered.*

LILY ALLEN

BEFORE she turned to Twitter, the 33-year-old was a pop star who sang raunchy lyrics and happily went topless.

KERRY KATONA

IN 2009, former Atomic Kitten babe Kerry, 37, didn't have a care in the world as she whipped out her sweater-stretchers as she relaxed on the beach.

NAOMI CAMPBELL

SEXY model Naomi, 48, was a catwalk star in the noughties thanks to 'accidental' nip-slips like this when she walked the runway.

THE HOTTEST GLAMOUR AND CELEBRITY

NOUGHTIES NICE!

NICOLE SCHERZINGER

IN the noughties, Nicole, 40, was the lead singer in burlesque pop group The Pussycat Dolls – and certainly wasn't shy about flashing the flesh.

HOLLYWOOD beauty Scarlett, 33, answered the prayers of every red-blooded male in the world when she stripped completely starkers in the flick *Under The Skin*.

BILLIE PIPER

ACTRESS Billie, 35, starred in a programme about escorts for years but never showed her norks.

But she wasn't as shy about her boob-baring antics on her holidays.

KIM CATTRELL

BEST known for playing horny Samantha Jones on comedy series *Sex and the City*, Kim, 61, could barely keep her clothes on during the noughties and made numerous stark naked appearances on-screen.

CATHERINE ZETA-JONES

WELSH firecracker Catherine, 48, looked sensational in this topless bikini snap of her from a luxury trip she took on a yacht.

MADONNA

DESPITE being 60 tomorrow, Madge's penchant for flashing has never wavered and her X-rated performances are still as raunchy as they were in the noughties.

PART TWO OF YOUR SENSATIONAL NOUGHTIES COLLECTION

BABES OF THE 2000s

...BUT

PART ONE

LUCY PINDER

THANKS to her eye-watering pair of 32G's, glamour girl Lucy, 32, found herself much in demand and is still one of the UK's best-loved pin-ups.

BRITNEY SPEARS

POP star Britney, 36, always puts on a show and was a sensation in the noughties.

At a Las Vegas residency she gave some fans more than they bargained for when her energetic routine saw her nip slip out of her outfit.

JENNIFER LOPEZ

TALENTED babe Jennifer, 49, is well-known for her music career but her stints on-screen are just as saucy – and this topless scene in *U-Turn* is still one of her hottest moments.

MICHELLE MARSH

IT'S not hard to see why busty blonde bombshell Michelle, 31, was a lads' mag favourite in the noughties.

Her 32FF saw plenty of fellas struggle with trouser tents on a daily basis.

Lily opens up about divorce in new single

POP babe Lily Allen has given an explosive insight into her DIVORCE from husband Sam Cooper in her candid new song *Apples*.

Lily (*above*), 33, confirmed her divorce in June, two years after splitting from the 40-year-old – but she's now given a look into why the pair parted ways.

Lyrics of her new track discuss her drinking, her parents' divorce, as well as their sexless marriage.

She sings: "Do you remember way back when, at my old flat, we'd stay in bed all day having sex and smoking fags.

"So much has happened since and I wish we could go back, I'd do things differently, but I went off the tracks

"Towards the end we were not even having sex, I felt like I was only good for writing the cheques, I like a drink but that does not make me a wreck."

Shortly before she announced they'd divorced, Lily admitted to being unfaithful to Sam during their five-year marriage.

Teen's bid to wed sick zombie doll

A TEENAGE girl plans to marry her beloved ZOMBIE doll.

Felicity Kadlec claims that she has an intimate relationship with the young female doll called Kelly, which is covered in fake blood and has a mangled face.

The 19-year-old, who has Kelly's name tattooed on her arm, showers the disturbing figure with kisses and dresses her in pink clothes.

The doll was gifted to Felicity when she was just 13 after finding it on a "creepy doll collection website" and the pair are now in love, she claims.

Felicity, a student from Massachusetts, said she plans to 'marry' Kelly next month, admitting: "It wasn't until I was 16-years-old that I started to get feelings for her."

Berry strips! Halle-lujah!

FORMER Bond girl Halle Berry showsoff her age-defying figure in a wet-look snap on social media.

Posted one day before her 52nd birthday, the sexy shot showcased a hefty amount of underboob in a soaked white vest top.

TEACHER'S SHOCKING TEXTS AFTER TEEN BOY SEX:

'I can't control myself ...I f**ked him & it was GOOD!'

DRUNK: Whetzel said she couldn't remember what had happened

A TEACHER accused of having sex with a pupil texted her colleagues telling them "I can't control myself... I fked him and it was GOOD!", a police report said.**

Brittney Whetzel, 28, faces two felony counts of sexual misdemeanour for having sex with two pupils and giving them alcohol while she was a teacher at Battery Creek High School in South Carolina.

Beaufort County Sheriff's Office obtained shocking text messages from the night in question.

She allegedly got drunk with fellow teacher Akina Andrews, 23, and invited three pupils over to drink.

By WENDY THOMAS
news@sundaysport.co.uk

Police reports reveal the teachers – who have since lost their jobs – gave beer and tequila to the three male pupils.

And Whetzel texted fellow teachers: "I can't control myself. I f**ked him and it was good."

Alcohol

Whetzel claims she can't remember the events due to a mix of alcohol and antidepressants.

Text messages and witness accounts stated she had sex multiple times with two students.

Andrews claims she walked into Whetzel's room and saw her and one of the boys without bottoms on.

She also faces charges for providing alcohol to minors.

In another text, which had suggestive emojis, Whetzel said: "I am serious as a heart attack."

The victims Whetzel is accused of sleeping with are 18 or older.

South Carolina law has made clear it is illegal for a teacher to have any sexual contact with a student.

It also emerged that Whetzel had searched on Google "can teachers get in trouble for sleeping with former students?" and "can you date your high school teacher after you graduate?"

Whetzel claims she invited the boys over to look after her cats.

She admitted in her arrest report it was possible she "did all that stuff".

MEL SYKES MAKES SHOCK ADMISSION: I don't shag every man I'm with!

TELLY presenter Melanie Sykes says she's sick of her LOVE LIFE being scrutinised and blasted reports that link her with men.

Mel, 48, recently jetted off to India with her best friend Adam – but her trip left plenty wondering whether he was her new lover.

The reports left Mel furious and she slammed the media and said there's more to her than who she's shagging.

She said: "Since my twenties, I've been constantly put with men. Half of them I've maybe only interviewed or been at a party with, but never really known them other than that.

Divorce

"It's like I can't even be seen with a man without somebody asking 'Oh, are you f**king him?' And it's like, 'Wow, no, he's a mate'.

"What, you think if we f**ked that would be better? What is wrong with you and your mind?

"Honestly, it's every time I'm photographed with a man."

Since her divorce from toyboy and second husband Jack Cockings, 31, last year, Mel has kept tight-lipped about her relationships.

She has been linked to pop star Olly Murs, 34, and professional golfer Martin Kaymer, 33.

But she declared: "I don't want to confirm or deny speculation, because that means I'm talking about it.

"I read a lot, I'm very interested in art, in films, I love to cook.

"But it all comes down to what I'm wearing and who I'm having sex with.

"And I'm tired of it."

Tara's up for slice of Pie

ACTRESS Tara Reid has revealed there might be another *American Pie* movie in the works – and she said she'd definitely revive her role in the franchise.

Tara (*below*), 42, said she bumped into the directors of the successful movie series a couple of weeks ago and they said it could happen.

When asked if she'd do more *American Pie* films as her character Vicky Lathum, Tara said: "Absolutely, and I think there could be one more.

"A couple of weeks ago I was at a party and I ran into the directors. I was like 'Come on, guys, when are you going to make another *American Pie*?'

"They said, 'I think it's going to happen'. They've never said that before!"

PORN star Angel Wicky loves ogling her own collection of movies – and especially enjoys watching SEX SLAVE SHAGGING.

The 29-year-old exotic beauty, from Czech Republic, says she much prefers bonking indoors than taking things al fresco, because there's tons of kinky stuff she can do behind closed doors.

Busty Angel, who boasts an impressive pair of 32DD norks, said: "I like the comfort of shagging indoors and being able to close all the doors and do kinky stuff that no-one else can see.

"I like to have a lovely comfy bed, decent music to get you in the mood and access to porn and my collection of sex toys.

"I love to watch adult movies with a bloke, to get us both revved up.

"Watching something hardcore allows you to let your inhibitions really go.

"I watch a lot of S&M stuff – naughty sex slaves who need punishing by their masters!"

BAT'S YER LOT!

Ruby quits social media over trolls

FAN FURY: Ruby has been cast as lesbian superhero Batwoman

By WENDY THOMAS
news@sundaysport.co.uk

STUNNING actress Ruby Rose has quit Twitter after facing a huge backlash over her casting as LESBIAN superhero Batwoman.

Ruby, 32, is set to be the first LGBTQ lead in a live-action superhero series and will play Batwoman in The CW's *Arrowverse*.

But just two days after the announcement was made, the actress deleted her Twitter account and limited comments on her Instagram following a slew of criticism.

Anger

Fans took to social media to express their anger that Ruby can't play a lesbian character, despite the actress being openly gay.

Some also argued that Ruby isn't Jewish, unlike Batwoman, and many questioned her acting skills.

Her last message on Twitter hit back at the comments and said: "Where on earth did 'Ruby is not a lesbian therefore she can't be batwoman' come from – has to be the funniest most ridiculous thing I've ever read.

"I came out at 12? And have for the past five years had to deal with 'she's too gay' how do y'all flip it like that? I didn't change. I wish we would all support each other and our journeys.

"My wish was we were all a little kinder and more supportive of each other. Sending everyone my love and gratitude, it's been a rollercoaster of a year, this month especially.

"I am looking forward to break from Twitter to focus all my energy on my next 2 projects. If you need me, I'll be on my Bat Phone."

Woman's ape goes apeshit in a DIY store

THE owner of a pet spider monkey that attacked two workers at a DIY outlet has been arrested.

Tina Ballard (*above*), 56, was arrested on Monday by police in North Carolina, where she had fled to from Florida, and is due to appear in court later this month.

In May, her simian, called "Spanky", reportedly jumped out of a shopping trolley and grabbed a Home Depot cashier's shirt, leaving "red marks on the cashier's shoulder".

And in June, another Home Depot employee in Okeechobee, Florida, claimed she was attacked by Spanky after she noticed it in the store's car park.

As she tried to catch it, it bit her arm, grabbed her hair and lunged off the side of her body before biting her again.

Ballard is accused of not having required paperwork, failing to immunise the monkey, not meeting specific cage requirements, and attempting to pervert the course of justice.

Fact me!

BHUTAN has an official yeti hunter – but he has yeti to find one.

Meth nut had two machetes

POLICE have arrested a 34-year- old man they said had large machetes taped to both of his hands.

Officers believe he was coming down from a meth high at the time and say he hatched a plan to attack in a bid to get himself shot.

Cops say he called them himself to report a man armed with a machete.

When officers arrived, the man tried to come towards them, but they retreated to keep a safe distance.

He kept trying to go towards officers and shouted at them to shoot him, but they used a Taser instead and are now holding him in custody in Winnipeg, Canada, charged with possession of weapons.

I loved my lesbo sex romps says Chloe

ACTRESS Chloe Grace Moretz has revealed she thoroughly enjoyed her LESBIAN SEX scenes in upcoming movie *The Miseducation of Cameron Post*.

Chloe, 21, plays a rug-muncher in the new drama and her character is seen engaging in plenty of X-rated girl-on-girl scenes.

The blonde babe says she didn't mind doing the on-screen bonking and added: "The whole movie is made by women, really, and I think that comes across – especially in the sex scenes.

By BECCA STUBBS
becca@sundaysport.co.uk

Gratuitous

"Usually I don't like sex scenes in movies because they can feel gratuitous, especially lesbian sex scenes.

"They can be a bit voyeuristic, but this is like a personal, beautiful and intimate portrayal of a budding relationship and of my character finding her sexuality."

Chloe also spoke about why she chose to take on the role, saying: "I choose the roles that connect to me the most.

"I'm a very strong woman, so there has to be some sort of backstory if I'm going to be a damsel.

"I will never just be a plot device, I couldn't just be a girlfriend."

The Miseducation of Cameron Post is set to be released in September.

STUNNING Lindsey Strutt fantasises about SHAGGING in public and reckons its way more exciting than bedroom bonking.

Cover girl Lindsey, 27, from Doncaster, has a kinky dream about a horny copper arresting her for romping in the great outdoors.

The 34GG lovely said: "There's something very liberating about taking your clothes off in public.

"At the weekends I sometimes drive up to the Yorkshire Dales for a stroll in the countryside.

Exciting

"I never miss the opportunity to strip naked while I'm up there!

"I can't be the only one who likes getting their bits out in the open air, can I?"

"I think sex outside is much more exciting. I don't care about being caught, as it's a bit of a fantasy for me.

"I'd love to get arrested while having sex. I could end up being escorted away by a copper saying, 'you naughty girl'.

"And I'd have a great story to tell my mates!"

SACKED: Tyson lost job over jizz charge

Boss w*nked into female worker's tea after job row

By WENDY THOMAS
news@sundaysport.co.uk

A MAN has been charged with lacing a female colleague's drink with his SPUNK following clashes over her management style.

Robert Tyson, 62, is accused of jizzing into the staff member's mug at a dermatology centre where they worked.

Prosecutors say Tyson, who denies two counts of misdemeanour battery, targeted the Florida office manager after they argued.

The 37-year-old woman told cops she was drinking water from her mug when she 'became aware of a distinct taste and smell'.

She said that on closer inspection she saw 'a white coloured mucus substance floating atop the water'.

She told investigators that semen had been poured into the mug when she left her desk on July 2 and a similar incident had occurred just a week before.

Repulsed

CCTV footage from July 2 appeared to show Tyson go into her office and pour the contents of what looked like a specimen container into the mug.

Further video from the earlier date seemed to show him with "a small container in his right hand", which he poured into the cup before quickly leaving.

Tyson is believed to have provided a 'letter of admission of guilt and a plea to end this matter quickly' in an email to the company's HR manager on July 4.

In the letter, Tyson said he was 'repulsed at the thought of my action' and 'I put a couple of drops of semen in her water'.

Police said Tyson's confession was solely over the July 2 incident and was made before he saw CCTV footage of the previous week's incident.

He is due to appear in court on September 5 and has already lost his job.

Bianca slips out on the beach!

YANK actress Bianca Blanco suffers a DOUBLE NIP-SLIP on her recent beach break.

The 37-year-old wore a high-cut floral swimsuit but it was her top half which was left poking out after the one-piece failed to contain her norks.

Lesbian prof 'gave gay guy a hard time'

A LESBIAN professor has been suspended by a university after she sexually harassed a gay male student.

Nimrod Reitman, 34, accused 66-year-old Avital Ronell (*above*), of physically and verbally sexually harassing him for three years from 2012 while he was a student.

Two years after graduation Reitman filed a suit alleging misconduct by Reitman which he says was "sufficiently pervasive to alter the terms and conditions of [his] learning environment".

He revealed dozens of emails in which she referred to him as "my most adored one", "sweet cuddly baby" and "cock-er spaniel".

Reitman, who is married to a man, says Ronell kissed and touched him, held his hand, forced herself into his bed, would call and email him non-stop and refused to work if he did not comply.

Ronell denies the claims, saying: "Our communications – which Reitman now claims constituted sexual harassment – were between two adults, a gay man and a queer woman."

Crash woman's naked dash bid

A WOMAN is in jail after she repeatedly drove into oncoming traffic, crashed into a tree, and then jumped into a river after taking off all her clothes.

Kelly Renee, 23, was driving a black Toyota Prius at high speed and attempted to pass vehicles by driving into oncoming traffic on Sunday afternoon.

Police followed after Renee sped through a red light and almost collided with other cars, but the chase came to an end when the Prius struck a tree in Titusville, Florida.

Renee climbed out of the vehicle and jumped into the nearby Indian River Lagoon, took off all of her clothes and tried to swim away from the chasing officers.

She is charged with fleeing and eluding, reckless driving, and resisting arrest.

Joel wants to see Love stars in the jungle

TV PRESENTER Joel Dommett has revealed he would love to see *Love Island* stars enter the *I'm A Celebrity... Get Me Out Of Here!* jungle.

The 32-year-old (*above*) co-hosts the ITV2 spin-off show *Extra Camp* which follows the main *I'm A Celeb...* show.

Talking about this year's contestants, Joel said: "It'd be great. As a massive *Love Island* fan I'd love to see that.

"When the show finished you're just like, 'I just want to see more of them'.

"It's been really nice for two months to see them lying next to a pool getting a sun tan, but I'd also like to see them eating bugs and y'know, sitting next to a really cold waterfall."

Joel says he doesn't have a preference which Islanders he sees in the jungle and said he has no idea who'll be in the line-up.

He added: "I don't really mind, I think they're all pretty good, they've all got their own thing."

Jess OK lovin' man or woman

HITMAKER Jess Glynne says she's not bothered whether she falls in love with a man or a woman as she opened up about her BI-SEXUALITY.

Jess (*above*), 28, has dated both men and women in the past and, although she's single at present, she confessed she's open to either.

She said: "It doesn't matter whether I love a man or a woman. I've learnt to accept that. At the beginning people are like, 'Yes, but are you gay or straight?'

"And it used to really play on my mind. I've just learnt to accept that it doesn't matter."

Cheer up, people AREN'T bonking more than you!

By BECCA STUBBS
becca@sundaysport.co.uk

MOST of us presume that everyone else is having MORE SEX than we are – but new research shows we're WRONG.

The study, carried out for a new book which will be titled *The Perils of Perception*, quizzed thousands of people about how much shagging other people were doing.

People guessed that men aged between 18 and 29 are getting intimate every other day – but results showed the reality is actually a long way away from those figures.

In fact, many blokes are lucky if they're active between the sheets just ONCE A WEEK.

And the perception of women's sex lives is even worse.

Many of those asked presumed women between 18 and 29 bonked every day of the week, as well as up to three times a day for 'special occasions'.

When it came to reality, women of that age group only had sex five times every four weeks – a far cry from the perceptions.

Incredible

Researcher Bobby Duffy, from King's College London, discusses why people's assumptions of others' sex lives is so wrong.

He said: "Research shows we think young people have a lot more sex than they do in reality.

"And men have a particularly skewed view of the sex lives of young women."

The average guess about young men in Britain is that they had sex 14 times in the last month, when the actual number was just five bonks.

Men think young British women are having an incredible amount of sex – 22 times a month in Britain – when in reality it's only five times.

In the same survey, people were also asked to guess how many sexual partners people have had by the time they get to 45-54 years of age.

On this section of the study, people are actually very accurate at guessing the average number of partners reported by men.

The actual figure in Britain is an average of 17 partners by the time men reach 45-54 – and the average guesses are almost spot-on.

We asked three *Sport* stunnas what they thought of the results and whether they're getting enough sex...

Beth Simmonds says...

> GOSH, these results are depressing! Why is no one having sex like they should? I definitely buck this trend, I have sex every single day.

Jamie McKenna says...

I ALWAYS presumed men have more sex than women, but it looks like we're having the same amount. Although five times a month is low – some of these men need to meet me!

Amanda Perry says

SEX once a week? These men need to spend some time with me, they'd be gagging for more and more of it once I was done with them. I'm always horny and always up for a shag.

SEX STARS

LEGENDARY director Joone, the genius behind some of the world's best EVER adult movies, helmed all three *Island Fever* epics.

He is known as the Spielberg of Sp* and when he calls, the leading adult actresses come running!**

Topping the bill here is superstar Tera Patrick but she's ably supported by top-drawer movie shaggers Julia Ann and Briana Banks.

And of course, you can't have proper shagging without some good hard cks and *Island Fever* has some of the biggest and best in the business. After all, what man is going to refuse a month in a tropical paradise bonking some of the most beautiful women in the world?**

HERE'S your chance to get your mitts on the greatest sex films trilogy ever made...for a fraction of the normal price!

Island Fever was the ground-breaking hardcore porn film that rewrote the rules in terms of both content the budget.

The world's leading adult stars were taken to the paradise islands of Hawaii, then shagged daft in pin-sharp HD for our viewing pleasure!

This no-expense-spared extravaganza became *the* must-have DVD and copies changed hands at prices many times their face value.

The two follow-ups didn't disappoint and, if anything, pushed the envelope even further. This time the juices were flowing on tropical Tahiti and Bora Bora bore witness to bum tricks as even more red-hot babes dropped their panties and their inhibitions to bring us a tropical feast of f***ing and sucking.

The greatest cinematic trilogy since *The Godfather* would normally cost you £25 each but today, in conjunction with *Private Shops* we can offer you one for £15 or all three for just £25.

Remember, this is hardcore pornography and not available on the internet or by mail order. The only way you can get yours at this amazing price is to get yourself along to one of the licensed sex shop on this page.

We've negotiated this unbeatable price as a thank-you to all our loyal readers.

Sex toys stay secret – so lovers won't feel threatened

Michelle Morgan
Age 23, 34C-24-32, from Leeds

By BECCA STUBBS
becca@sundaysport.co.uk

BRAND new research has found that over HALF of women still feel too ASHAMED to tell their partners they use SEX TOYS.

A new study, by Too Timid found a whopping 54 per cent of women said they haven't admitted to pleasuring themselves in private.

The company quizzed around 1,000 women about their sex toy habits and whether they chatted about their secret stash of accessories.

The results of the survey may come as a surprise, especially given the results of a recent survey by Mr & Mrs Toy, which found that a third of UK women own a sex toy.

Cathryn Smith, a member of the Counselling Directory, said too many women are suppressing their sexual desires over fears they will no longer live up to a 'nice girl' image.

She said: "Although women are meant to be liberated, in reality a lot of women equate sexuality with not being a 'nice girl'.

"Some women become embarrassed for feeling sexual. They may think that their partners will feel threatened.

"We can all get into the same old routine and variety is the spice of life. It's nicer to keep things a little bit new.

Amazing

"I think a lot of women will be surprised with how readily men accept them initiating a change in their intimacy."

It's believed women are more likely to keep their solo activities a secret as there is still an overriding fear of making their partners feel inadequate.

Sport stunna Michelle Morgan insisted she's not ashamed of her sex toy habit and admitted she even brings her toys into the bedroom with her fellas.

The 34C beauty said: "Vibrators are amazing and men shouldn't feel threatened because if they know how to shag, silicone is no competition for a real cock.

"I use my toys nearly every day whether I have sex with a man or not – it's a way to try new things and explore myself so that I'm more confident with men.

"When I feel comfortable with a bloke, I start to introduce my toys into the bedroom.

"Using a bullet on myself while a man is doing me doggy-style feels amazing."

#MY SEX FANTASY

…WITH CARA STEEL

‘Bonking in weird places is extra exciting’

By BECCA STUBBS
becca@sundaysport.co.uk

FOR cutie Cara Steel, THREE is the magic number when it comes to bedroom antics.

The adventurous minx revealed she lusts after a ménage à trois and fantasises about going to a sex party.

The 32E brunette also has a penchant for bondage and shagging outdoors.

The 30-year-old, from St Albans, said: “I’d like to have a threesome with a guy and a girl, because you’d get the best of both worlds!

“I’ve never done it, but it’s at the top of my to-do list. I’ve just never been in the right situation.

Giggles

“I would definitely give swinging a go – I’ve always wanted to go to one of those Killing Kittens sex parties or a sexy masquerade ball.

“I like handcuffs and blindfolds, but nothing with too much pain – I’m not into nipple clamps!

“I’ve tried role-play, but I can’t take it seriously enough – I end up getting the giggles.

“My hobby is having sex in weird places. I’ve done it on a golf course, in the sea, on the beach and I even did it in the changing room of a lingerie shop once!

“Sex in the bedroom bores me – I need to keep things exciting!”

Dear Bexi,

I went on the piss last week and pulled a Dutch student who is over here for a university course.

She's blonde with a cracking body – big tits and a lovely arse – and she had a very liberal attitude towards sex!

On the first night I shagged her, we did everything – oral, 69er, doggy-style and even ANAL!

I started off by undressing her and then licking her out. She was loving it as I slurped away at her love-tunnel and it wasn't long before I'd got her juices flowing.

I brought her to orgasm. then she made a grab for my cock, pulling it out of my jeans and sucking hard on it.

She was begging me to take her from behind and I eased myself into her gash. But after only a couple of minutes of thrusting into her, she demanded I stick my dick in her bumhole!

I couldn't believe it! Are all European birds this filthy?

GT, Glasgow

Bexi says…

YES – the Germans are even better!

Dear Bexi,

MY girlfriend and her filthy mate put on a bit of a lesbo show for me a couple of weeks ago and I ended up boning them BOTH.

Me and the missus got chatting ages ago, after one of our wild sex sessions, about trying a threesome at some point.

Thankfully, she was up for doing it with another bird and quickly arranged for her fit pal to make up the numbers.

When we got down to business, I slipped into her mate from behind while she was licking my bird out.

They then changed over and I did my bird while she was fingering her mate.

The problem is that my girlfriend's mate is so much better in bed than she is. I've shagged her on her own a few times and she was absolute filth.

I'd now like to move in with her, but I don't want to ruin a relationship which has lasted a long time. What should I do?

FT, east Yorkshire

Bexi says…

THE wise thing to do would be to stay with your girlfriend, but I dare say you will do whatever you want. It's your choice.

Dear Bexi,

I VISIT a company run by a young husband-and-wife team to help with their computer systems.

When I arrived last week it was very hot and the wife was wearing a skimpy low-cut top.

When she bent over I couldn't fail to notice her round tits and pert nipples.

She smiled and encouraged me to massage her tits while she stroked the bulge in my trousers.

I put my hand up her skirt and inserted two fingers straight up her fanny and worked away until she climaxed.

She then said she wanted to watch me wank. She slid off her knickers and spread her legs while I beat one off – though anyone could have walked in.

I have to go back in a couple of weeks and can't afford to lose the contract – which I will if the hubby finds out.

What should I do?

PROGRAMME her to be careful.

Park nookie spy was our son's girlfriend!

Dear Bexi,

I WAS inspired to try a shagging session with the missus in our local park after reading about the fun and games that students get up to in your paper.

They seem to get off on having sex in public places and I thought my wife might enjoy it.

We're both in our 40s and our children have grown up and moved out, which means we can experiment with sex again.

When I mentioned doing it in the park, she really got into the idea.

She settled on a pair of thigh-high black boots with a loose knee-length skirt and overcoat – and no underwear at all!

It was just going dark and on the walk to the park I managed to get my hand up my wife's skirt.

Judging by her soaking fanny, she was as turned on as I was.

In the park I sat on one of the swings and my wife got down on her knees and gave me a slow and sensuous blowjob.

Then she lowered her skirt and straddled me on the swing. We managed to get quite a rhythm going as we swung back and forth.

Slippery

At this point I caught sight of a young woman over my wife's shoulder, standing under a tree watching us.

So I pulled my wife's arse cheeks as wide apart as I could to give her a better view of my big, fat cock thrusting in and out of her.

The woman hitched up her own skirt and got her hand in her knickers.

I was so turned on by this, I quickly sent my load deep into my wife's dripping pussy.

That's when my wife also spotted the young woman and decided to give her a real show by bending over the slide and slowly fingering her slippery fanny.

I thought she'd stop when the woman came over, but instead my wife ordered her to get her tongue in.

It was a fantastic sight as I sat there and watched. But when I took a closer look at the young woman's face, I got a shock as I realised it was our son's latest girlfriend.

Now I'm worried that she'll tell our lad what we were up to.

CB, Nottingham

Bexi says…

WHY worry? He might be proud of you for having a shag in the park at your age.

Gutbucket swinger rode me like a hippo

Dear Bexi,

MY wife and I were looking to join a swingers' club and I made contact with one in our area – where the pictures of the women looked great.

We went to a party at the home of the club's chairman, but I quickly noticed the women there were all pretty ugly or really fat.

I asked the chairman about the women I had seen on the website and he said they were former members.

My wife, however, seemed to be enjoying herself and she soon went upstairs with the chairman, who was grinning like a Cheshire f**king cat!

Then a fat bird waddled into the kitchen and eyed me up. To be honest, I don't normally go for women who are larger than a size 10, I simply can't stand the sight of all that flabby flesh when I'm banging a bird.

Pounded

Anyway, this gutbucket turned out to be the chairman's wife, so I thought "f**k it" when she got hold of me and led me upstairs.

When she stripped off her kit to reveal her five bellies I felt a bit sick, but stuck with it.

Then she took out her false teeth, sucked me until I was semi-hard and hopped on my poor old man and rode me like a hippo.

Afterwards I escaped to find my wife and watched as the chairman gleefully pounded her.

I never want to go again, but my wife loved it and wants us to go every bloody week!

What should I do?

RF, Devon

Bexi says…

TRY a different swingers' club.

Dear Bexi,

I'M a 24-year-old builder who has been working on some new flats in a posh part of town.

A woman next to the site seemed to be regularly at her window and it was clear she was ogling me.

We got chatting and she invited me in for a sandwich. But it was clear that more was on offer.

She said she was divorced and hadn't had sex for ages. And she said it was her fantasy to shag a hairy-arsed builder.

She's 40 and a curvy 36D with long black hair.

Normally, I think of myself as a sensitive lover who always puts the woman first.

But this time, I grabbed her roughly and stuck my tongue down her throat.

Then I unzipped and coaxed her head down and she took my bulging cock in her mouth.

Then she hitched up her skirt to reveal no knickers and a neatly-trimmed bush.

I called her a "slut" as I pushed her over the sofa and then plunged deep into her fanny.

Since then I've been for a shag at hers most days. But when I offered to take her out for a meal, she said she wouldn't be seen dead with a builder!

Bexi says…

SO she wants a physical relationship with you and nothing else. Enjoy!

Beautiful

"If he sends me a dick pic though, I'm not interested!

"I don't know why men do that – it's such a turn off.

STAR MAN: Luka Modric

SUPER CUP CAN END IN 11/5 DRAW

THE European Super Cup is this evening's football highlight in Tallin with Madrid giants Real and Atletico going head-to-head. Luka Modric – last back to training at the Bernabeu – and Cristiano Ronaldo are likely to be the two absentees for the Real side who won the Champions League back in May with Gareth Bale and Asensio taking over.

This will be the fourth time in five years that that the game will be an all-Spanish affair and the Champions League holders have held the edge in recent years. Indeed, Atletico were the last Europa League winners – back in 2012 against Chelsea – to lift the Trophy.

This will be the first competitive game for new Whites' boss Julen Lopetegui and his Real are 6/4 with BetVictor to win in 90 minutes with Atleti 2s and the draw 11/5. There have been seven draws in the last 13 between the two which suggests that is overpriced.

Atleti have only scored seven times in their last 11 games against their neighbours but I think they will add to that statistic in Tallin and a 1-1 draw is the recommendation at 11/2.

Sunderland entertain Sheffield Wednesday in front of the Sky cameras in the League Cup tomorrow and the Black Cats are 29/20 at BetVictor to win in 90 minutes with the Owls 9/5 and the draws at 12/5.

Wednesday travel to Brentford on Sunday and they are 13/2 to be relegated from the Championship this term with neighbours Sheffield United 14/1 to return to League One next term.

Title

Those odds suggest the balance of power in the Steel City has shifted from the Owls to the Blades although these are early days.

It will not have gone unnoticed in Sheffield how impressive Leeds have been in winning both starts and the Whites are 5/1 favourites at BetVictor to win the Championship title and 2/1 to be promoted this term.

Harry Kane has still to score a Premier League goal in August, but he is still 10/3 favourite in the top PL goalscorer betting with Mo Salah (7/2) and 7/1 Bar. Sadio Mane scored on the opening day of the season for the third successive term and became just the sixth player in the history of the division to do so.

The others? Teddy Sheringham, Louis Saha, Thierry Henry, Alan Shearer and the one major surprise David Silva from the 2013/14 season to 2015/16.

Liverpool are now 10/11 to win the Premier League without Manchester City and punters are of the opinion the title is just a match. The Reds have also been cut to 4/6 to beat Manchester United (11/10) in a season long match bet between the sides.

The top south coast club market is fascinating with Bournemouth stealing a march. BetVictor bet:

Southampton	11/8
Bournemouth	11/8
Brighton	11/4

TOTTENHAM ARE ON THEIR WAY TO WEMBLEY

POINT TO PROVE: Eric Dier

White Hart Pain hurts Spurs

CLUB 'SORRY' FOR LATE OPENING OF STADIUM

TOTTENHAM have said sorry to their fans for the delay to opening the new White Hart Lane.

Spurs were planning on welcoming Liverpool as the first opponents at their new home next month.

But Tottenham have had to delay the opening and play at least two more games at Wembley.

There are some reports that Spurs will be at the national stadium until Christmas, although the club have not confirmed that.

They now have the mammoth task of refunding tickets and moving the whole shooting match to Wembley. The

By JOHN ANTHONY

club released a statement last night, saying: "Delays are common, certainly for builds of this size and complexity, however we are hugely frustrated that this has occurred with these systems at such a late stage.

"Whilst we would have been able to mitigate other areas, we simply cannot compromise safety. This decision was unavoidable.

"We should like to apologise to supporters for this delay.

"We are acutely aware of the disappointment this may cause supporters and shall now look to ensure that we minimise any inconvenience."

Tottenham have to go through a couple of test games before their full licence can be granted.

Then they can start using the £850m stadium.

Window

There have been raised eyebrows about the lack of transfer activity at the club this summer.

Some reports have put that down to all their cash being sunk into the stadium.

But Eric Dier wants to prove that Spurs didn't need to buy anyone and there's enough quality at the club.

The Londoners were the first team not to make a summer signing since the transfer window started 15 years ago. But Dier thinks boss Mauricio Pochettino already has a winning team.

He said: "It's a great challenge to shut everyone up.

"We're going to enjoy that challenge. We've got a fantastic squad here, with fantastic players in every position.

"To strengthen it is not easy. All the other teams around us might have signed players but not many of those are better than the players they've already got.

"If you're trying to create a better atmosphere or give the team a boost, then that's cool but we'll find the same boost in a different way."

HOPEFUL: Hannon

Teacher to Dance off with big victory

WINNING POST
WITH BEN MORGAN

DANCE TEACHER (NAP) is only four but is in the care of her third trainer already and is the standout horse in her new yard by a mile.

She racked up her first victory for her new trainer last time at Epsom under a welterweight burden with Silvestre De Sousa doing the steering which that was an impressive performance and obviously expected given the jockey booking.

Jockey bookings alone suggests another bold bid is expected as Andrea Atzeni is now on board at a course where she already boasts two course wins. This doesn't look the strongest of renewals and I would be hopeful she can rack up a double.

Earlier at Kempton, Richard Hannon will be expecting a fair bit more from KHIBRAH after her debut last month. Hannon is known to leave plenty to work on his newcomers and she can step forward from her first run. She is bred well and can make her presence felt in an open race.

OUR LITTLE PONY is becoming a regular at Beverley and will be looking to build on a course and distance victory two runs ago.

Loose

That victory came after a couple of positive runs which suggested she is on the improve and is getting better with racing.

She has since been beaten at Thirsk, albeit not by much, but that was over further and she should be more at home over 5f on her favourite track. Faye McManoman gets on well with the filly and takes off a useful 7lb so Our Little Pony will be running loose.

At Newton Abbot, there is an interesting jumps card and I rate VOODOO DOLL as the best bet. Evan Williams' charge enjoyed a run of three consecutive victories prior to an underwhelming run last time out at Market Rasen.

I thought that run was too bad to be true and it came too quick after rattling up a hat-trick.

He should appreciate this sharp track and given he gets plenty of weight off his rivals, most of them exposed, I would hope he can be in the mix once again and resume on the upward curve he was previously on.

UNITED FIGHT FOR POGBA

Barca to launch late bid

BARCELONA will launch an audacious £180m bid to sign Paul Pogba from Manchester United.

The Spanish transfer window is open for another two weeks and the Catalan giants want to break the bank for the Frenchman. They see the 25-year-old as the ideal man to lead their midfield and keep Real Madrid away from the La Liga title.

Barcelona director left the door open for a move, saying: "Pogba is a great player."

BY ANDY MILLOM

And the man himself has been making cryptic comments since coming back from leading France to World Cup glory.

He said: "If you're not happy, you cannot give your best.

"There are things I can say and there are things I cannot say — otherwise I will get fined."

Jose Mourinho dropped Pogba towards the end of last season and made it clear that he wasn't happy with his performances.

He showed the world what he's capable of in Russia this summer and wore the captain's armband in United's first game of the season against Leicester.

Reports in Spain suggest that Luis Suarez has been told that a move will be made for Pogba before the window closes. And Ivan Rakitic has been told that he can leave if the United man arrives, alerting a host of top European clubs who can still buy new players even though the Premier League window is closed.

NOT HAPPY: Paul Scholes

The 30-year-old would have a host of offers, with Napoli and AC Milan thought to be on his trail.

The mood at Old Trafford won't have been lifted by comments made by United legend Paul Scholes.

He thinks the Red Devils will finish even more than 19 points behind champions City this season — and it could be a long time before they are title challengers.

Scholes says Liverpool are the team that will give United most to think about over the next 10 months.

Challenging

The ginger ace said: "Look at Manchester City and possibly Liverpool, I don't think United have the quality of those two teams at the minute.

"I just don't see United getting closer to City. City are a really good side, great manager, some great players, a way of playing that they all know about and Manchester United seem to be not too sure what's going on.

"You don't really know the team, you don't really know the players, you don't know how they're going to perform from one week to the next.

"So I hope I'm wrong, but I don't see them challenging for the league this year."

The bookies agree and have made City odds-on favourites for the title at just 8/13. Then it's 7/2 Liverpool with United a massive 20/1 — the longest price they have ever been at this early stage of a Premier League campaign.

WHERE'S HE GOING TO: Paul Pogba is on his toes

STOKES BACK IN LIONS SQUAD

CRICKET

BEN Stokes has been called straight into the England team after being acquitted of affray.

The Three Lions all-rounder missed the last Test at Lord's while standing trial.

But he has been cleared and will rejoin the team. A separate disciplinary inquiry into Stokes and team-mate Alex Hales will carry on though.

Stokes' solicitor said in a statement: "The past 11 months have served to highlight to Ben just how highly he values his position as an England representative, both in terms of the privilege that role entails and the responsibilities that accompany it.

"Now that the trial is over, Ben is keen to get back to cricket being his sole focus."

The England selectors said they would assess Stokes' situation after the trial had finished.

The problem for them and skipper Joe Root is the form of Chris Woakes, who scored a hundred and took big wickets as England went 2-0 up in the series against India.

It would be harsh to drop him so Stokes could come in at No6 instead of Jos Buttler assuming spinner Adil Rashid stays in the side.

Root said: "Ben is obviously a huge part of this squad, so it's a miss him not being here this. But what it did do was create an opportunity for Chris to come in and perform and boy, he didn't disappoint did he? He was outstanding.

"It's nice to see guys really taking opportunities, and that's something we want to harness as an example to the guys in and around the squad — 'when you get your chance, make it as hard as possible to leave you out'.

"It's a great headache to have for us, going into the next Test."
